1. AUTHORITY

On April 27, 2022, the Council of the Corporation of the Municipality of Calvin adopted By-law Number 2022-031 authorizing the use of an alternative voting method, that being the Telephone/Internet Voting method.

The *Municipal Elections Act*, more specifically Subsection 42(3), states as follows:

Procedures and forms

- (3) The clerk shall,
- (a) establish procedures and forms for the use of,
 - (i) any voting and vote-counting equipment authorized by by-law, and
 - (ii) any alternative voting method authorized by by-law; and
 - (b) provide a copy of the procedures and forms to each candidate when his or her nomination is filed. 2009, c. 33, Sched. 21, s. 8 (22); 2016, c. 15, s. 31 (3).

Subsection 42(4), states that the Clerk shall provide the procedures and forms on or before June 1 in the year of the election.

Subsection 42(4), states that the procedures and forms established by the Clerk, if they are consistent with the principles of the Act, prevail over anything in the Act and the regulations made under it.

These principles are generally recognized as being that:

- a) The secrecy and confidentiality of the voting process is paramount;
- b) The election shall be fair and non-biased;
- c) The election shall be accessible to the voters;
- d) The integrity of the voting process shall be maintained throughout the election;
- e) There is to be certainty that the results of the election reflect the votes cast;
- f) Voters and candidates shall be treated fairly and consistently; and
- g) The proper majority vote governs by ensuring that valid votes are counted and invalid votes are rejected so far as reasonably possible.

In addition, the Council of The Corporation of the Municipality of Calvin approved By-Law 2022-31 authorizing to enter into an agreement with an eVoting Service Provider for Telephone/Internet Voting service for the 2022 Municipal & School Board Elections.

Subsection 11(2) of the Municipal Elections Act states that the Clerk of a local municipality has responsibility for conducting elections within that municipality and responsibility for,

- a) preparing for the election;
- b) preparing for and conducting a recount in the election;
- c) maintaining peace and order in connection with the election; and
- d) in a regular election, preparing and submitting the report described in subsection 12.1 (2). 1996, c. 32, Sched., s. 11 (2); 2009, c. 33, Sched. 21, s. 8 (7).

With respect to the duties and authority of a municipal clerk, the Municipal Elections Act further states as follows:

12(1) A clerk who is responsible for conducting an election may provide for any matter or procedure that,

- (a) is not otherwise provided for in an Act or regulation; and
- (b) in the clerk's opinion, is necessary or desirable for conducting the election.

12(2) The power conferred by subsection (1) includes power to establish forms, including forms of oaths and statutory declarations, and power to require their use.

12(3) The power conferred by subsection (1) includes power to require a person, as a condition of doing anything or having an election official do anything under this Act, to furnish proof that is satisfactory to the election official of the person's identity or qualifications, including citizenship or residency, or of any other matter.

13(1) Any notice or other information that this Act requires the clerk to give shall be given in a form and manner and at a time that the clerk considers adequate to give reasonable notice or to convey the information, as the case may be.

13(2) The clerk shall provide electors, candidates and persons who are eligible to be electors with information to enable them to exercise their rights under this Act.

Subsection 42(5) states that when a by-law authorizing the use of an alternative voting method is in effect, Sections 43 (advance votes) and 44 (voting proxies) apply only if the by-law so specifies. By-Law No 2022-31 authorizing the use of an alternative voting method is silent on these issues, and therefore Sections 43 and 44 are not applicable.

The Municipal Elections Act, more specifically Section 53, also provides that the clerk may declare an emergency if he or she is of the opinion that circumstances have arisen that are likely to prevent the election being conducted in accordance with this Act and provides the authority to the clerk to make arrangements for the proper conduct of the election. Any arrangements made by the clerk, if they are consistent with the principles of the Municipal Elections Act, prevail over anything in the Act and the regulations and all such arrangements, if made in good faith, shall not be reviewed or set aside on account of unreasonableness or supposed unreasonableness.

Therefore, as Elections Clerk of The Municipality of Calvin and Returning Officer for the 2022 Municipal & School Board Elections, I do hereby certify and approve the following procedures for conducting the 2022 Municipal & School Board Elections and also establish that the attached forms are the forms permitted to be used during this election process.

Each candidate will be required to sign the "Declaration of Proper Use of the Voters' List" Form EL14.
