Re: Municipal Insurance Rates

West Grey Council passed the following resolution at the February 16, 2021 council meeting:

The Council of the Corporation of the Municipality of West Grey hereby supports the resolution of The Municipality of Grey Highlands dated January 22, 2021 wherein they call on the Province of Ontario to review the seven recommendations of AMO to investigate the following municipal insurance issues, as insurance premiums will soon be out of reach for many communities:

1. The provincial government adopt a model of full proportionate liability to replace joint and several liability.
2. Implement enhancements to the existing limitations period including the continued applicability of the existing 10-day rule on slip and fall cases given recent judicial interpretations and whether a one-year limitation period may be beneficial.
3. Implement a cap for economic loss awards.
4. Increase the catastrophic impairment default benefit limit to \$2 million and increase the third-party liability coverage to \$2 million in government regulated automobile insurance plans.
5. Assess and implement additional measures which would support lower premiums or alternatives to the provision of insurance services by other entities such as non-profit insurance reciprocals.

6. Compel the insurance industry to supply all necessary financial evidence, including but not limited to, premiums, claims and deductible limit changes which support its own and municipal arguments as to the fiscal impact of joint and several liability.
7. Establish a provincial and municipal working group to consider the above and put forward recommendations to the Attorney General; and

That this motion be provided to the Premier of Ontario, Minister of Finance, Attorney General of Ontario, MPP for Bruce-Grey-Owen Sound and all municipalities in Ontario.

Sincerely,

Genevieve Scharback,
Director of Administration / Clerk
Municipality of West Grey

AMO Policy Update – Province Provides Additional Transit Funding, Municipal Modernization Funding, and 34 Public Health Unit Vaccination Plans Together

Province Provides Additional Transit Funding

The Honourable Caroline Mulroney [announced](#) today that the Province was providing an additional \$150 million to support transit systems through the pandemic. The funding is in addition to funds provided by the provincial and federal governments under the Safe Restart Agreement.

With some reallocation of funding, this announcement will make up to \$650 million available to municipalities to be spent by December 31, 2021. Extensions may be considered on a case-by-case basis. The Ministry of Transportation will provide information webinars on the funding in partnership with the Ontario Public Transit Association (OPTA) in the coming days.

The Safe Restart Agreement provides up to \$4 billion in federal-provincial funding for emergency costs related to the pandemic. \$2 billion of this is allocated to supporting transit systems, of which \$1.5 billion has been allocated. The funding has helped to provide personal protective equipment, fund additional cleaning, and help keep transit systems operating as ridership patterns and social distancing have taken place. This funding was strongly advocated by AMO to help maintain transit during the pandemic and ensure these systems are ready to support the recovery.

Municipal Modernization Funding

Also today, the Minister of Municipal Affairs and Housing, the Honourable Steve Clark, [announced](#) \$10 million under the Audit and Accountability Fund to support efficiency and modernization projects in 31 large municipalities.

This funding is in addition to the January 26th, 2021 ROMA Conference announcement of [\\$40 million](#) to help small and rural municipalities through the Municipal Modernization Fund. The funding will support initiatives to improve processes and develop new ways of operating to provide more effective public services.

Public Health Vaccination Plans

Further to the good work the *Toronto Star* did this weekend to have all 34 Public Health Units' vaccination plans in one publicly accessible site, AMO staff has reviewed and updated each of the PHU's links and have put them in one spreadsheet [here](#).

AMO's [COVID-19 Resources](#) page is being updated continually so you can find critical information in one place. Please send any of your municipally related pandemic questions to covid19@amo.on.ca.

RE: Insurance Rates

At its meeting on February 24, 2021, Council passed resolution number RES2021-033:

Moved By: Councillor Cathy Moore Coburn

Seconded By: Councillor Ryan Thompson

Whereas Council received a resolution passed by the Council of the Municipality of Grey Highlands regarding increasing municipal insurance rates, at their meeting on February 10, 2021; and

Whereas Council of the Township of Georgian Bluffs recognizes the impact of increasing insurance rates on local governments and their constituents; and

Whereas the Association of Municipalities of Ontario outlined seven recommendations to address insurance issues including:

- 1. The provincial government adopt a model of full proportionate liability to replace joint and several liability.**
- 2. Implement enhancements to the existing limitations period including the continued applicability of the existing 10-day rule on slip and fall cases given recent judicial interpretations and whether a 1 year limitation period may be beneficial.**
- 3. Implement a cap for economic loss awards.**
- 4. Increase the catastrophic impairment default benefit limit to \$2 million and increase the third party liability coverage to \$2 million in government regulated automobile insurance plans.**
- 5. Assess and implement additional measures which would support lower premiums or alternatives to the provision of insurance services by other entities such as nonprofit insurance reciprocals.**
- 6. Compel the insurance industry to supply all necessary financial evidence**

The Corporation of the Township of Georgian Bluffs

including premiums, claims and deductible limit changes which support its own and municipal arguments;

Now Therefore, Council of the Township of Georgian Bluffs supports the Municipality of Grey Highlands in their request to the Province to review the recommendations as outlined by the Association of Municipalities of Ontario, and

That copies of this resolution be forwarded to the parties contained in that of the Municipality of Grey Highlands.

Honourable Doug Ford, Premier of Ontario

Honourable Peter Bethlenfalvy, Minister of Finance

Honourable Doug Downey, Attorney General of Ontario

Honourable Bill Walker, MPP for Bruce - Grey - Owen Sound

All Ontario Municipalities

February 25, 2021

Honourable Doug Ford
Premier of Ontario
Premier's Office, Room 281
Legislative Building, Queen's Park
Toronto, ON M7A 1A1

Dear Honourable Ford:

On February 23, 2021 Council for the Town of Mono passed the following resolution regarding the impending closure of the Ontario Fire College campus in Gravenhurst, Ontario.

Resolution #8-4-2021

Moved by Ralph Manktelow, Seconded by Sharon Martin

WHEREAS the Province of Ontario wishes to close the Ontario Fire College (OFC) located in Gravenhurst; and

WHEREAS the Ontario Fire College is one of the primary sources of certified training for Ontario Firefighters; and

WHEREAS the Ontario Fire College has built a reputation of integrity, credibility, and reliability in providing some of the best training to our Fire Services within the Province of Ontario; and

WHEREAS the Ontario Fire College has been used to train and certify both Volunteer, Part-Time and Career firefighters throughout Ontario; and

WHEREAS many our firefighters are volunteers who are on call 24/7/365 with day jobs and families that expect them to come home safely each and every time; and

WHEREAS municipalities are mandated to have fire departments, yet there is no provincial or federal funding for fire departments for much needed equipment and training; and

WHEREAS the Regional Training Centers are not all created equal and similar in function to the Ontario Fire College; and

WHEREAS the Ontario Fire College gives Ontario Firefighters another option other than Regional Training Centers to obtain National Fire Protection Association (NFPA) certifications; and

WHEREAS the Ontario Fire College is a cost-effective method for municipalities to certify Firefighters to NFPA Standards in Ontario; and

WHEREAS the Ontario Government enacted and revoked O. Reg. 379/18: Firefighter Certification in 2018; and

WHEREAS when the Ontario Government revoked O. Reg. 379/18: Firefighter Certification, it was made known by the Office of the Solicitor General that the act would be amended and brought back in the future.

THEREFORE BE IT RESOLVED THAT Council for the Town of Mono requests that the Province reverse their decision to close the Ontario Fire College as it is one of the best and most cost-effective methods for municipalities to train their firefighters which assists us in protecting our residents. If the Province chooses not to reverse its decision to close the Ontario Fire College, the Province should provide direct financial support to municipalities to offset the increase training costs of providing Provincially mandated fire fighting services.

BE IT FURTHER RESOLVED THAT this Resolution is forwarded to the Honourable Doug Ford Premier of Ontario, the Honourable Sylvia Jones; Ontario Solicitor General, the Honourable Steve Clark, Minister of Municipal Affairs and Housing, the Ontario Fire Marshal; Jon Pegg, and all municipalities within the Province of Ontario.

"Carried"

Respectfully,

Fred Simpson
Clerk

Ministry of Municipal Affairs and Housing

Att: Steve Clark, Minister of Municipal Affairs and Housing

RE: Bill 229

At its meeting on February 24, 2021, Council passed resolution number RES2021-036:

Moved By: Deputy Mayor Sue Carleton

Seconded By: Councillor Ryan Thompson

Whereas Council passed resolution number RES2020-346 at their meeting on November 25, 2020, opposing the proposed amendments to the *Conservation Authorities Act, 1990* via Bill 229, *Protect, Support and Recover from COVID-19 Act (Budget Measures), 2020*; and

Whereas Bill 229, *Protect, Support and Recover from COVID-19 Act (Budget Measures), 2020*, including Schedule 6 of said Act, received Royal Assent on December 8, 2020; and

Whereas Schedule 6 of Bill 229, *Protect, Support and Recover from COVID-19 Act (Budget Measures), 2020*, amends the *Conservation Authorities Act, 1990*, to significantly hinder the conservation authorities' role in regulating development, permit appeal process and engaging in review and appeal of planning applications; and

Further, as Schedule 6 provides that the Minister of Municipal Affairs and Housing may by zoning order, under Section 47 of the *Planning Act, 1990*, permit all or part of a development project in a conservation authority's area of jurisdiction; and

Whereas the Township of Georgian Bluffs values and relies upon the natural habitats and water resources within our jurisdiction for the health and well-being of residents and, values the conservation authorities' work to prevent and manage the impacts of flooding and other natural hazards;

The Corporation of the Township of Georgian Bluffs

Now Therefore, Council of the Township of Georgian Bluffs re-establishes opposition to the amendments to the *Conservation Authorities Act, 1990* via Bill 229, *Protect, Support and Recover from COVID-19 Act (Budget Measures)*, 2020, and

Further, implores the Province of Ontario to repeal Schedule 6 of Bill 229 and maintain the important role of conservation authorities throughout the Province, and

That copies of this resolution be forwarded to the Ministry of Municipal Affairs and Housing, MP Alex Ruff, MPP Bill Walker, Grey Sauble Conservation Authority and all Ontario Municipalities.

Carried (6 to 0)

Attachments: 2021 Mar 1 ARB Rules FINAL ENG.pdf; 2021 Mar 1 ARB Rules FINAL FR.pdf

SENT ON BEHALF OF KEN BEDNAREK, ASSOCIATE CHAIR AND KELLY TRIANTAFILOU,
REGISTRAR

Hello Bonjour,

The ARB would like to highlight the following substantive changes for the Rules that will take effect April 1, 2021.

- Modified and reduced the timelines of the Schedule of Events for the General stream
- Modified and updated the requirements under the Schedule of Events for the Summary stream relating to Special Notices
- Updated the requirement for the extension of time for expert reports
- Form – Acknowledgement of Expert Duty has been updated and is a required document for the process
- Form – Affidavit of Service – removed
- Minutes of Settlement Rules – updated language to allow for “any party” to file the minutes of settlement for the purposes of the Board issuing a decision
- Updated and clarified the language

Voici les changements importants qui ont été apportés aux Règles de pratique et de procédure de la CRÉF et qui entreront en vigueur le 1^{er} avril 2021.

- Modification et réduction des délais du Calendrier des procédures pour les instances générales.
- Modification et mise à jour des exigences liées au Calendrier des procédures pour les instances sommaires en ce qui concerne les avis spéciaux.
- Mise à jour de l'exigence liée à la prorogation du délai de dépôt des rapports d'expert.
- Mise à jour du formulaire Reconnaissance du devoir de l'expert, qui est un document obligatoire.
- Élimination du formulaire – Affidavit de signification.
- Règles relatives au procès-verbal de règlement – Mise à jour de la terminologie afin de permettre à « toute partie » de déposer le procès-verbal de règlement pour que la Commission puisse rendre une décision.
- Mise à jour et précision de terminologie.

Thank you,

Merci,

Dear Ministers,

I am writing to advise that Norfolk County Council supports the attached Norfolk County Agricultural Advisory Board's letter regarding the application of the carbon tax on primary agriculture producers. It is the recommendation of Norfolk County Council that the Federal Government consider the concerns of the agricultural community and move to exempt all primary agriculture producers from current and future carbon taxes. Please find attached the full recommendation.

Thank you for your attention,

Yours truly,

Dec 7, 2020

The Honourable Marie-Claude Bibeau, MP
Minister of Agriculture and Agri-Food House of Commons
Ottawa, Ontario
K1A 0A6

Dear Minister Bibeau

Our agricultural advisory board (AAB) who represents the agricultural sector in Norfolk County, Ontario is very concerned about the federal government's current carbon pricing policies. It is our hope that you consider our concerns and move to exempt all primary agriculture producers from current and future carbon taxes.

Carbon tax remains as a major cost of production for producers in Norfolk County. Although some farm fuel purchases are exempt, it is selective and does not meet the needs of the entire agriculture industry. Currently crop drying, heating/cooling of livestock barns and cooling of perishable commodities are still subject to full carbon taxes.

Currently there are no replacements for fossil fuels in agricultural production. As a result, carbon tax policies are not appropriate for the agricultural sector and only decrease farm margins.

Norfolk County which is known as Ontario's garden is home to one of the country's largest diversity of crop production. In addition to the extensive vegetable, fruit and grain production it boasts some of the highest ecological diverse natural habitats, plants and animals in Canada. There is approximately 25% tree cover in the county which is the highest percentage of forested land in Southwestern Ontario. Norfolk County It is also home to over 10,000 acres of woodlots and wetlands protected under Long Point Conservation Authority. In addition to the natural woodlots and wetlands there is also extensive fruit production with 2000 acres of apples and 1000 acres of sour cherries. A mature orchard can fix upwards of 18 mt of CO₂ annually.

The adoption of production practices to protect the soil and environment are advanced in Norfolk County. There has been a wide implementation of cover cropping, planting green and reduced tillage practices all of which sequester carbon. Additional farming practices of 4R nutrient management coupled with precision technology ensure that appropriate nutrients are applied at the right time, place and rate. In many cases sensitive water sources around ponds and wetlands are planted with buffer strips and soil erosion control measures of grassed waterways and windbreaks are also common practices. ALUS (alternative land use) programs have been embraced across the county, taking unproductive land out of production, and returning it to natural native grass plantings, trees and constructed wetlands. Currently there are 1148 active projects with 189 producers covering 1573 acres in Norfolk County managed under the ALUS program.

The agriculture industry has made great strides to protect the environment and will continue to improve production practices that reduces the carbon footprint in food production.

The AAB board believes that all on farm fuels used in agricultural production should be exempt from carbon tax. This should include natural gas, propane, gas, and diesel. We strongly urge the government to be consistent with a sector wide exemption to current carbon tax policies.

Sincerely,

Dustin Zamecnik
Chair of Norfolk County Agriculture Advisory Board

March 2021

TO: ARB Stakeholders;
Counsel of the Assessment Bar
Property Tax Representatives
Municipal Property Assessment Corporation (MPAC)
Municipalities

RE: Updated - Deeming of Outstanding Appeals for the 2021 Taxation year (2017 Assessment Cycle - taxation years 2019, 2020 and 2021)

I am writing to advise you of the process the Board will follow with respect to deemed appeals for the 2019, 2020 and 2021 taxation years. Further to the announcement in March 2020 where the Government announced the postponement of the 2021 taxation year, the board will be proceeding to “deem” into 2021. The last day to appeal for the 2021 taxation year, March 31, 2021.

- In accordance with s. 40(26) of the *Assessment Act*, where the Board has not issued a decision on an appeal before March 31st of the subsequent taxation year, an appellant will be deemed to have made an appeal for that subsequent taxation year. The ARB will create a new “deemed appeal” where a property/roll number has unresolved appeals at the deadline.
 - For example, if a decision on your 2018 appeal is issued after the deadline to file an appeal (April 2019), your property/roll number would be deemed an appeal for 2019.
- Deeming applies to all unresolved appeals until the end of the assessment cycle 2017-2021, March 31, 2021. This includes appeals related to property assessment change notices issued by the Municipal Property Assessment Corporation (MPAC).
- Deemed appeals do not require the original appellant to file an appeal or pay a fee for the subsequent taxation year. If there is a new owner of the property, the provisions of s. 40(28) of the *Assessment Act* apply.
- The Board undertakes to issue decisions on the appeals that have been heard by or otherwise resolved before Friday March 26, 2021. For these properties, appeals will not be deemed for 2021.

- Exceptions would be in cases where the Member reserves their decision or there is a request for written reasons and the decision has not been released by April 1, 2021. The decisions would include the deemed appeal.

Hearings events approaching the deadline:

- 2020 appeals that are scheduled for any hearing event and not resolved, **could** result in having a deemed appeal for the 2021 taxation year if the decisions are not released
- Please note that the deemed appeals may not appear on a docket or in a notice of hearing, but parties should be prepared to proceed with the deemed appeal.
- Where an appeal is scheduled for a hearing, and the Board is advised in writing of a withdrawal or settlement, the appeal will be removed from the hearing and a decision issued. In these cases, an appeal will not be deemed for the 2021 taxation year.

Schedule of Events and Deemed Appeals:

- For any appeals that are deemed, the deemed appeal will be added to the original appeal and existing Schedule of Events

Premier Doug Ford

By email only premier@ontario.ca

Dear Premier Ford:

Please be advised that the following resolution was passed at the March 2, 2021 Howick Council meeting:

Moved by Deputy Reeve Bowman; Seconded by Councillor Hargrave:

**Whereas, the Province of Ontario has announced that as of March 31, 2021 the Gravenhurst campus of the Ontario Fire College will be permanently closed; and
Whereas, the Province of Ontario announced plans to modernize and expand access to firefighter training in Ontario; and**

Whereas, there has been no clear plan communicated by the Province of Ontario on how to obtain firefighter training in the absence of the Ontario Fire College campus; and

Whereas, there has been no clear plan communicated by the Province of Ontario on how firefighter training in Ontario will be modernized and expanded; and

Whereas, there has been no clear plan communicated by the Province of Ontario regarding the costs or funding for modernized and expanded firefighter training in Ontario; and

Whereas, the Township of Howick is a small rural municipality that operates a volunteer fire department to provide fire protection;

Now therefore, be it resolved that Council respectfully request a clear plan be communicated that establishes how the Province intends to modernize and expand firefighter training ensuring equal access to all municipal fire departments in Ontario, and as well, present a plan for funding to subsidise and or regulate the cost for firefighter training in the Province of Ontario. Carried.

Resolution No. 59/21

Whereas there is a willingness in the community to support directives from the Province and the North Bay Parry Sound District Health Unit; and

Whereas the North Bay Parry Sound Health District was a Green Zone prior to the Stay-at-Home Order; and

Whereas the more restrictive the directives, the greater the financial burden on businesses and individuals in the community; and

Whereas the North Bay Parry Sound District Health Unit has taken a more restrictive approach than many District Health Units in Ontario by extending the Stay-at-Home Order until at least February 22, 2021; and

Whereas the North Bay Parry Sound District Health Unit has also taken a very restrictive approach by ordering all public ice rinks, tobogganing hills, skating trails, and Ontario Federation of Snowmobile Clubs' (OFSC) trails and trails utilizing Crown Land in the health unit district to be closed; and

Whereas community understanding and support is critical to achieving the objective of the directives - slowing the spread of the virus; and

Whereas the conditions in the North Bay Parry Sound Health District do not appear to be dissimilar to the conditions in many other Ontario health districts; and

Whereas variants of the virus have been confirmed in other Ontario Health Districts and the Stay-at-Home Order has been lifted; and

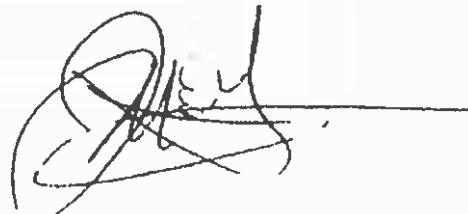

Whereas a greater community awareness generates greater community support; and

Whereas the Parry Sound Town Council has no authority with respect to Provincial and Health Unit directives;

NOW THEREFORE the Council of the Town of Parry Sound requests that the North Bay Parry Sound District Health Unit take a more pro-active approach to community outreach and communication through a range of communication techniques; and

That increased communication include greater dialogue with municipal and healthcare leaders across the health district in advance of announcements; and

That this resolution be forwarded to the Mayors and healthcare leaders within the health district, Norm Miller, MPP for Parry Sound-Muskoka and the Honourable Victor Fedeli, MPP Nipissing.

Honourable Doug Ford
Premier of Ontario
Legislative Building
Queen's Park
Toronto, ON M7A 1A1

Dear Premier Ford:

RE: Capacity Limits for Restaurants in Stage 2 under the Reopening Ontario Act, 2020

On behalf of the Council of the Corporation of the Township of Lake of Bays, please be advised Council is striving to support their local businesses during this pandemic however, the uncertainty they face day to day as rules change have become overwhelming and onerous to these small businesses and something needs to change. With that said, Council at their last regular meeting on March 2, 2021 had a wholesome discussion regarding the challenges our businesses are facing. The following resolution is a result of those discussions:

"Resolution #8(b)/03/02/21

WHEREAS the Province of Ontario passed O. Reg. 263/20, Rules for Areas in Stage 2 under the Reopening Ontario (A Flexible Response to COVID-19) Act, 2020;

AND WHEREAS Schedule 2, Subsection 1(7) states that the total number of patrons permitted to be seated indoors in the establishment must be limited to the number that can maintain a physical distance of at least two metres from every other person in the establishment, and in any event cannot exceed 10 patrons;

AND WHEREAS restaurants throughout the Province are facing financial hardships due to the COVID-19 pandemic, and the amount of patrons being turned away is impacting the overall experience of the restaurants;

AND WHEREAS many restaurants fluctuate in size and would be able to accommodate more than 10 patrons, while maintaining a physical

... 2

Page 2

distance of at least two metres from every other person in the establishment;

AND WHEREAS the inequity of establishing a capacity limit of no more than 10 patrons for larger restaurants continues to impact the financial viability of the restaurants during this difficult time;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Corporation of Township of Lake of Bays hereby requests that the Provincial Government review and reconsider the capacity limits for restaurants across the Province be based on the size of the square footage of the seating area instead of a flat occupancy.

AND FURTHER THAT the concept of introducing capacity limits for other businesses listed in Schedule 2 of O.Reg 263/20 being impacted by the constant uncertainty of their operations during this pandemic including restaurants, personal care services, resorts, camps, fitness and recreational amenities, churches, etc. be considered while in lockdown status.

AND FURTHER THAT this motion be forwarded to the Premier, Doug Ford, Simcoe Muskoka District Health Unit and all Ontario municipalities.”

Council appreciates and thanks you for all your hard work and dedication during these unprecedented times and is hopeful that the above-noted resolution will assist in amending the restrictions set out in the COVID-19 Response Framework.

Sincerely,

Carrie Sykes, *Dipl. M.A., CMO, AOMC,*
Director of Corporate Services/Clerk.

March 4, 2021

Mayor Ian Pennell
Municipality of Calvin
1355 Peddlers Drive Rural Road 2
Mattawa ON P0H 1V0

Dear Mayor Pennell:

Ontario has heard directly from the municipal sector that operating impacts due to the pandemic will continue in 2021. In order to respond to municipal need and to further strengthen our communities, we are now investing an additional \$500 million to help municipalities respond to ongoing and unprecedented 2021 COVID-19 operating pressures. While the actual extent of municipal impacts for 2021 are uncertain at this time, the province expects that this funding will help municipalities continue to deliver the high-quality local services that residents and business rely on, as well as help municipalities proceed with planned capital projects in 2021.

I am pleased to inform you that the Government of Ontario has committed financial support to the **Municipality of Calvin** through the 2021 COVID-19 Recovery Funding for Municipalities program in order to support your COVID-19 operating costs and pressures. All municipalities in Ontario are eligible for this program and the level of funding is based on the proportion of COVID-19 cases in the Public Health Unit for your respective municipality during the period of January 1, 2021 to February 18, 2021. I have reviewed the eligibility criteria for provincial assistance under the program and have determined that accordingly, your municipality will receive **\$21,256.00**, subject to your municipality returning a copy of this letter, signed by your municipal treasurer, to the ministry by March 31, 2021. You will receive these funds in two equal instalments – one instalment on or before May 1, 2021 and the other on or before November 1, 2021.

Please note that your municipality is accountable for using this funding for the purpose of addressing your priority COVID-19 operating costs and pressures. If the amount of the funding your municipality receives exceeds your 2021 COVID-19 operating costs and pressures, the province's expectation is that your municipality will place the excess

funding into a reserve fund to be accessed to support any future COVID-19 operating costs and pressures.

The province realizes that municipalities are facing financial impacts due to the COVID-19 pandemic and that in some instances, this provincial funding will not be sufficient to cover all municipal operating impacts due to COVID-19. The province expects municipalities to do their part by continuing to find efficiencies in their operating services and using existing reserves and reserve funds that have been specifically put aside for such unforeseen circumstances.

Your municipality will be expected to provide two report backs on your COVID-19 operating impacts and the use of these funds as follows:

1. An interim report in June 2021, which will include:
 - a) Use of funds provided last year under the Safe Restart Agreement – Operating funding stream; and
 - b) 2021 estimated COVID-19 operating impacts and how your municipality plans to use the funding under the 2021 program.
2. A final report back in Spring 2022.

We had previously indicated that Safe Restart Agreement reporting would be expected in March 2021. However, we have decided to streamline this reporting and the new 2021 COVID-19 Recovery Funding for Municipalities program. The template for this report back will be provided by the ministry with more details to follow in the coming months. While the province expects your municipality to complete this report, your second instalment under the 2021 COVID-19 Recovery Funding for Municipalities program is not contingent on the province receiving your interim report.

At this time, I am requesting that your municipal treasurer sign the acknowledgement below and return the signed copy to the ministry by email to: Municipal.Programs@ontario.ca. If the province has not received your letter on or before March 31, 2021, you will not be eligible for this program and your municipality's allocation will not be paid. In order to allow for processing time, please provide your signed letter to the ministry on or before March 24, 2021.

Our government continues to stand with our municipal partners as we have throughout the pandemic, advocating for funding for communities from the federal government to support local economic recovery. Communities may need more COVID-19 related operating funding in the coming year, and we will continue to advocate on your behalf to the federal government. I encourage you to contact your local Member of Parliament to seek further federal support in order to help municipalities deal with their operating impacts due to COVID-19.

The government thanks all 444 Ontario municipal heads of council for their support throughout the pandemic and our ongoing partnership in Ontario's economic recovery.

Sincerely,

Steve Clark
Minister of Municipal Affairs and Housing

c. Municipal Treasurer and Municipal CAO

By signing below, I acknowledge that the allocation of **\$21,256.00** is provided to the **Municipality of Calvin** for the expected purpose of assisting with COVID-19 costs and pressures and that the province expects any funds not required for this purpose in 2021 will be put into a reserve fund to support potential COVID-19 costs and pressures in 2022. I further acknowledge that the **Municipality of Calvin** is expected to report back to the province on 2021 COVID-19 costs and pressures and the use of this funding.

AMO Policy Update – New 2021 COVID-19 Relief Funding

Ontario Government Provides New 2021 COVID-19 Relief Funding for Municipal Government Operations

The Honourable Steve Clark, Minister of Municipal Affairs and Housing, and the Honourable Peter Bethlenfalvy, Minister of Finance and President of the Treasury Board, [announced](#) this morning that the Government of Ontario is providing an additional \$500 million to municipal governments to support municipal operations. Securing funding in 2021 to support municipal operations which builds on the \$4 billion federal and provincial support in 2020's Safe Restart Agreement (SRA) has been AMO's number one advocacy priority.

Today's announcement provides funding to all 444 Ontario municipalities. Similar to Phase 2 of the SRA funds, the support is based on a [base + formula allocation](#) to recognize varying impacts of the pandemic on municipal capacity and revenues. AMO understands that a 10 per cent base allocation will be provided to all municipal governments and a Top-Up formula allocation is based on COVID-19 case counts in the municipality from January 1st, 2021 to February 18, 2021. In making the announcement, Minister Clark called on the federal government to match the funding provided through an additional 2021 allocation.

The funding will be provided in two installments: installment 1 will flow on or before May 1st, 2021 and installment 2 on or before November 1st, 2021. To receive funding, Municipal Treasurers will need to sign back an agreement and provide it to the Ministry of Municipal Affairs and Housing by March 24th, 2021. This agreement,

reporting, and eligible uses for the funds will be communicated to municipal governments through letters to the Heads of Council from the Ministry.

In welcoming the announcement, AMO's President Graydon Smith, noted that this funding makes an important investment in Ontario's economic recovery by building on critical Safe Restart Agreement and Social Services Relief Fund support previously provided to Ontario municipalities. The funding provided today will help to offset budgetary impacts of COVID-19 in municipal governments across Ontario and support critical municipal services, helping to keep capital projects on track in local communities.

Together with the new \$150 million for transit provided by Ontario earlier this week, this funding marks a significant investment in local services that support people, businesses, and communities. AMO will continue to work with the Ontario Government in partnership to secure additional federal funding to offset the impacts of COVID-19 on municipal budgets, services, and transit.

AMO's [COVID-19 Resources](#) page is being updated continually so you can find critical information in one place. Please send any of your municipally related pandemic questions to covid19@amo.on.ca.

Dear Neighbouring Municipality,

Recently, The Town of Mattawa has purchased the old 24/7 Fitness Centre. We have been working hard on re-branding, decreasing membership fees, and improving the physical space. We are eager to open and have people utilize the facility once it is safe to do so.

The past owners had one membership fee for both residents of Mattawa and non-residents. We have created a few new membership options including resident and non-resident memberships. You will notice that the prices for non-residents are 20% higher than that of Mattawa residents. The reason for this is that non-residents do not pay taxes to in Mattawa which means they do not help offset the cost of this service.

So how does this impact you? The Town of Mattawa is VERY excited to offer each municipality the opportunity to purchase our \$500 Annual Municipal Membership. This will allow all residents in your municipality access to the gym at our Mattawa resident rate. This is a small price to pay to help your residents meet their fitness goals!

Below is a fee chart indicating Mattawa resident and non-resident fees.

Membership Options

*HST NOT INCLUDED	Mattawa Residents		Non-Residents	
Duration	Adult	Student 16+ Seniors 60+	Adult	Student 16+ Seniors 60+
1 Year	\$250	\$175	\$300	\$210
6 Months	\$145	\$125	\$174	\$150
3 Months	\$100	\$75	\$120	\$90
1 Month	\$55	\$35	\$66	\$42

If you would like to take advantage of this incredible opportunity that benefits all the residents in your municipality, please fill out the attached form. Please feel free to call us if you have any questions.

Thank you,

Renée-Anne Paquette
 Recreation and Facilities Services Manager

March 4, 2021

No. 2021-02

ONTARIO FIRE COLLEGE TRAINING MODERNIZATION

This Fire Marshal's Communiqué is issued as a follow up to the January 13, 2021 announcement regarding the decommissioning of the Ontario Fire College (OFC) and the modernization of fire safety training in Ontario.

This Communiqué provides an overview of OFC training modernization through several modes, including online and blended courses, Regional Training Centres (RTCs) and Learning Contracts.

A fire department's training program should be designed to meet its set level of fire protection service, based on its needs and circumstances, and guided by the advice of the fire chief. A training program can include a combination of different OFC training modes as well as local in-house training.

While the decommissioning of the OFC campus in Gravenhurst is set for March 31, 2021, staff will continue to play a leading role in developing training courses. This will include curriculum design and development, registration services, online training development and maintenance, training development to build capacity in RTCs, and monitoring performance and quality assurance of programs at the local level.

As part of this plan, OFC instructors will be assigned regionally so that fire departments have a central point of contact for all training inquiries within their region. Instructors will work collaboratively to ensure the availability of training across Ontario.

Available options for OFC training are outlined below:

1. Online and Blended Courses
2. Learning Contracts
3. Regional Training Centres (RTC)
4. Mobile Live Fire Training Units (MLFTUs)

Inquiries on any of the options available, or how to contact the instructor assigned to your region can be directed to Guy Degagne, Assistant Deputy Fire Marshal, Training and Certification (Guy.Degagne@ontario.ca).

1. Online and Blended Courses

Online courses are generally self-paced, which allows for greater flexibility in completing coursework.

Blended courses have a portion of the course online, combined with specific in-person training sessions. The purpose of blended learning is to focus in-person training to elements that cannot be taught online. Blended courses are offered through RTCs or Learning Contracts.

The following courses are available in either an online and/or blended format:

Course	Online	Blended
Legislation	X	
NFPA 1521	X	
NFPA 1031 – Level 1	X	
NFPA 1035 – PIO	X	
NFPA 1035 – Level 1	X	
NFPA 1021 – Level 1	X	X
NFPA 1021 – Level 2		X
NFPA 1021 – Level 3		X
NFPA 1021 – Level 4		X
NFPA 1041 – Level 1	X	X
NFPA 1041 – Level 2		X
Fire Code – Part 2	X	
Fire Code – Part 6	X	
Fire Code – Part 9	X	
NFPA 1001 – Level 1		X
NFPA 1001 – Level 2		X
NFPA 1002		X
NFPA 1006 – Ice/Water Rescue		X
NFPA 1033 – Fire Investigator		X

The remaining National Fire Protection Association (NFPA) courses are scheduled to be upgraded to online and/or blended by the 2022-23 OFC calendar year. These include:

Course	Online	Blended
NFPA 1031 – Level 1	X	
Fire Code – Part 3	X	
Fire Code – Part 4	X	
Fire Code – Part 5	X	
Courtroom Procedures	X	X
NFPA 1072 Haz Mat Operations		X

2. Learning Contracts

Learning contracts provide access to OFC programs through in-house training that is affordable and scalable, and they are provided at the local fire department at their pace. Learning contracts are set up within one fire department, but there is an opportunity for smaller departments to share in the training.

The OFC supports learning contracts with full OFC course delivery including full registration in the OFC database; OFC course numbers; OFC course material; OFC assistance with arranging ASE testing; OFC support in case of Ministry of Labour investigations; and OFC certificates of completion for each student.

Course delivery costs \$65 per student. Training can occur during working hours to reduce overtime costs and can be provided by fire departments' training staff.

3. Regional Training Centres (RTC)

RTCs are operated by municipalities, community colleges, or associations. They are strategically located across the province and provide access to training for career, composite, volunteer, Northern Fire Protection Program (NFPP), and First Nations fire departments.

RTCs are capable of delivering all NFPA programs, including certification testing, and courses meet professional qualification standards including classroom and outdoor fire ground training. It is important to note that course availability across Ontario will be based on a needs analysis that must support local fire departments and the RTC's infrastructure and capacity to deliver.

A number of factors may result in cost savings or avoidance for fire departments that train at RTCs including mileage to and from the home location, costs to backfill fire department personnel, meal reimbursement, banked time and overtime costs.

The interest to open and operate a new RTC has grown significantly since the announcement in January. A map of current RTC locations is provided below, along with some additional locations being considered. Please note that potential locations are continually being updated and not all locations are reflected in the attached map.

4. Mobile Live Fire Training Units (MLFTUs)

The OFM has purchased two mobile live fire training units that will be available to fire departments across Ontario. In order to support training across the province, one unit will be deployed in northern Ontario and one in southern Ontario. However, this will be continually reviewed to assess where there is the greatest need.

The MLFTUs offer diverse options for live fire training to meet the unique needs of training including: a confined space rescue hatch; main level training rooms; different attack options; multi-prop fire simulators; and portable props.

The OFM will be deploying these units in 2021 and can have them delivered to any location. The MLFTUs will need to be booked in advance and will be available seasonally between May and October. Please contact the OFC Registrar at ApplyOFC@ontario.ca to reserve a unit.
