CAMPGROUNDS

Voyageur Country is Canada's crossroads. For centuries, this is where explorers set off on their travels and rested when they returned.

CABINS

Along the shores of the Ottawa and Mattawa Rivers and in the shadow of the mighty Laurentian Mountains is Voyageur Country. Historically, a meeting place by the First Nations People and The Voyageurs on long portages from east to west and north to south, the region continues to bring people together at Canada's crossroads, on the shoulder of the Trans Canada Highway #17 and the shores of the Mattawa and Ottawa Rivers.
